

MRGC Testimonials

During Montessori Education Week, we were asking people to share testimonials of their experiences at MRGC. Here are statements received thus far:

from Lily (Grade Two) "I like MRGC because we get to work at our own pace. Also because we don't have any homework." from Stacy (Lily's mom) "Lily Rose has blossomed at MRGC. The nurturing environment has helped Lily to challenge herself. She has learned organizational skills, time management skills, and is an avid reader. Lily comes home stating that she loves Math and has made many meaningful friendships. Thank you for all you do!"

from Nicole (Eli and Martin's mom) "Montessori saved my children! Now they can fully grow in their learning experience. Thank you MRGC for all your hard work. I don't know where we would be if we hadn't found MRGC."

from Mitch and Maria (parents of Mateo) "Having our son Mateo enjoy the benefits of a Montessori education has been a blessing for us. The fruits that this experience bears on our son are evident in the way he is developing academically and as an individual. The teachers and staff have been loving, caring and professional in working with Mateo's strengths and areas of development. We are thankful and honored to be part of Montessori of the Rio Grande Charter School, and to be surrounded by teachers and staff that view children in a holistic way. Thank you."

from Crystal and Fred (Justin's parents) "We love the dedicated teachers and staff. Our son is very happy and excited about learning here. The environment is excellent for parents as well as our children. We love it at Montessori of the Rio Grande Charter School."

from Carmela and Mark (Zoe's parents) "I see every day in little ways her attention to detail and care for their "materials" at home. She LOVES giving lessons to her family on language arts and often plays the role of teacher with us. This is when we can really see her enthusiasm for learning and how her teacher has modeled such grace and courtesy while teaching. Thank you for all you do."

If you would like to fill out a testimonial, please stop by the office. There are papers ready for filling out. We want you to share your experience and would appreciate your input about the goings on at MRGC! Kind Regards, Miss Debbie
